

TUPA

Designed by
Hendrik Tack

Code:
TUP-B-001

Tupa is a multifunctional outdoor design object that can be used as a fire bowl, but that also can be transformed into a garden table or champagne bar. The base with fire bowl can optionally be supplemented with accessories, such as the grill, table top, table top with ice bucket and a cover in corten steel.

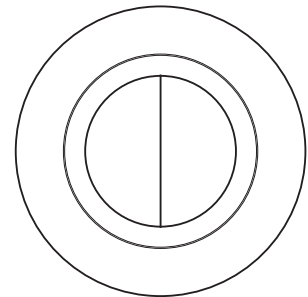

The standard colour is black. A RAL colour of your choice is also available upon request.

Tupa is delivered in one piece. There is no assembly required on site.
