

# LUZ

Designed by  
Moróro

Colour: black

Luz is a black, matt anodized garden lamp with an ultra-slim, sleek design and unique ribbed structure in the lampshade. Luz works with an LED lamp and has a movable lampshade with 26 degrees beam angle.

Moreover, this outdoor lighting is also available in different versions. There is Luz with base and with impale. The cable bridges the distance to your first electricity point in a cleverly positioned and discrete way. There is also the wireless version with a base. Luz works with a dimmable touch panel and a rechargeable battery. In this way you can rely on more than fifteen hours of atmospheric garden light.

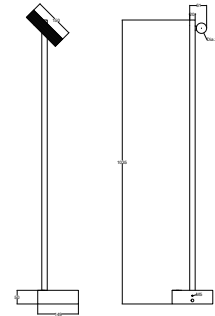

## technical data

### LUZ BASE CABLE

Code LZ-BC-001

Black matt anodised aluminium  
LED 5W - 24V  
2700 K  
490 Lumen  
26° beam angle  
CRI90  
IP65  
Adapter included  
CE

### LUZ SPIKE

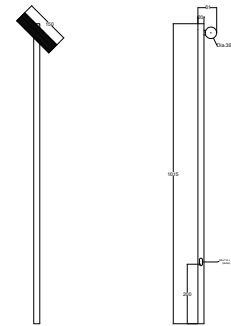

Code LZ-S-002

Black matt anodised aluminium  
LED 5W - 24V  
2700 K  
490 Lumen  
26° beam angle  
CRI90  
IP65  
CE

Please, do not punch this beauty on the head but dig a hole in the ground with Ø 2cm and ±30cm deep.

### LUZ BASE WIRELESS

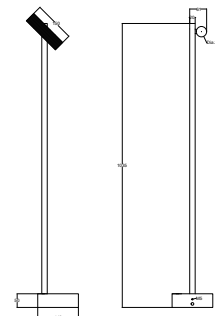

Code LZ-BW-003

Black matt anodised aluminium  
LED 5W - 24V  
2700 K  
490 Lumen  
26° beam angle  
CRI90
