Tupa is a multifunctional outdoor design object that can be used as a fire bowl, but that also can be transformed into a garden table or champagne bar. The base with fire bowl can optionally be supplemented with accessories, such as the grill, table top, table top with ice bucket, cover, plancha, cutting board and a bio-ethanol fire place.

The standard colour is black. A RAL colour of your choice is also available upon request.

Tupa is delivered in one piece. There is no assembly required on site.
